Make a Caterpillar Habitat

**Jar** **Leaves** **Band** **Tissue**

Step 1:

Put a little water, some leaves, and a stick in the jar

🫙 **+** 🌿 **=** 🫙

Step 2:

Put the caterpillar in the jar and cover the opening with tissue and elastic band.
Poke a few tiny holes in the tissue for air

🫙 **+** 🟥 **+** ◗ **=** 🫙

Watch the Caterpillar grow into a *Butterfly*
